Presentation Professionals in PowerPoint, Daedalus f(4)r Presentations d4p.nl

Daedalus Presentaties *is* a consulting company that develops presentations which through synergy of content and designs, are regarded as authoritative

Daedalus *was* the great designer in ancient Greek mythology who presented new concepts in a way that it was experienced as reality

What can Daedalus Presentations mean to you?

Daedalus Presentations consults and supports with development of presentations in PowerPoint. Services can vary from upgrading an existing presentation re-design of electronic house style, or language editing and translating, adding graphics, animation, video, music etc., up to a 'start from scratch'. When starting from scratch Daedalus Presentations consults and supports the contractor from brainstorming the concept, writing the spoken and visual text, developing the visual content and supporting hardware management on location, anywhere, anytime. We solve your problems.

Why Daedalus Presentations?

- ▣ Ahead since 1998, serving many market leading Top-500 clients, several almost for 2 decades
- ▣ Deadline? We never miss one, instruct you on details so you can run your show, confidently!
- ▣ PowerPoint Professionals, business engineering background, consulting to empower confidence
- ▣ Developing presentations fully charging speakers on the stage and drive the audience anywhere
- ▣ Tailor made graphics, re-designed visual input as customized to your story, no standard clip art
- ▣ Detailed tenders, open calculation, no 'surprises' just satisfaction on positive cost-quality-ratio
- ▣ Exceeding possibilities with our Play-Guarantee, not to worry, we make your Show run! Always

When Daedalus Presentations?

- ▣ Pitch, Budgets, Quarterly Webcast, Hard Story and only 2 days to go? Call us and Save the Day!
- ▣ Difficult message? Resistant audience? Show to take them serious, to convince distinctively
- ▣ Product show, fully animated product presentations, in sales, PR, new business development
- ▣ With seminars, congresses and workshops, easy adaptable for yet those last minute updates
- ▣ Corporation wide presentation slide decks (100 slides+) with navigational structure to 'surf'
- ▣ Multi-media and animation, music, voice over, (web)video, we make a Show on any device
- ▣ Support from a scratch, consulting story line development, up to full service on any location
